## Two More Nations War On Germany

The big development of the week in war-stricken Europe is the definite declaration of war on the part of Italy against Germany and the entrance on the side of the Allies of Roumania.

Italy and Germany have been drifting steadily toward war. In fact Italy's formal declaration amounts to little more than official recognition of a state of affairs which already

existed. The declaration became inevitable when Italy recently sent troops to Salonika to co-operate in the campaign on the Macedonian front, as Germany is directing the opposing forces and has troops in this battle line.

Italy's position has been anomalous since she withdrew from the Triple Alliance and declared war on Austria. Although by this act she arrayed herself against her former allies, Germany and Austria, she remained officially at peace with Germany until this week.

Although officially at peace, Italy

and Germany had severed diplomatic relations last year. That is why Italy adopted the unusual procedure of asking Switzerland to inform Germany of her declaration of war.

Roumania has thrown in her lot with the Entente Allies by declaring war on Austria-Hungary and almost simultaneously Germany has announced that she is at war with Roumania.

Roumania's decision to enter the war was reached at a meeting of the crown council Sunday morning, according to advices.

## Commercial Club Meets In New Home

The Commercial Club of Chesterfield on last Friday evening held its first business session in its new quarters, Ross Hall, Vice-President, Emsley Armfield presiding.

The attendance, though not large, was made up of interested members.

The House Committee reported on its efforts in connection with securing the hall and the purchase of furniture, including pool table.

The financial report showed the treasury about depleted, after purchases were all paid for.

On motion the initiation dues were raised from \$1.50 to \$3.00. This applies to new members. Those whose names are on the list, but who have not yet paid initiation dues will be allowed ten days from the date of the last business meeting to pay at the old rate.

It was decided that the monthly dues should begin with September 1. Those who have paid will be credited accordingly.

A committee had been appointed to provide entertainment for the county candidates, who were to speak in Chesterfield on the day following. This committee reported all visiting candidates cared for.

Plans were made for telephonic receiving State election returns.

The Club will give an entertainment next Friday night, for which more than 100 invitations have been issued. The committee on arrangements reported progress.

A proposition to incorporate the Club as an eleemosynary institution was discussed but no action taken.

STEVENSON HAS BIG MAJORITY OVER FINLEY IN CHESTERFIELD COUNTY, THOUGH FINLEY PROBABLY RE-ELECTED BY SMALL MAJORITY THROUGHOUT THE DISTRICT.

The Primary election passed off quietly in Chesterfield County yesterday. The Advertiser publishes herewith the best returns obtainable, but does not pretend to say they are accurate. The correct returns will not be known until the Executive Committee meets and makes the official announcement. This will be done Thursday afternoon.

At time of going to press no returns have been received from Snow Hill, Cross Roads and Pee Dee.

Who will be in the next race for Supervisor and for the House of Representatives will not be known until the official count is made.

Oliver, Knight and King are neck and neck. For the House of Representatives Askin, Hunley, Macfarlan, Funderburk and Sellers are closely bunched and official count will be necessary to determine which two shall make the second race.

A large crowd from all parts of the county gathered in Chesterfield Tuesday night to hear the returns. The most interest was centered in the Sheriff's race. Both Douglass and Ingram carried their home towns, Chesterfield and Cheraw, by comfortable majorities.

The Second Primary, to elect Treasurer, Superintendent of Education, Representative, and Supervisor, will be held Sept. 12th. C. J. Eddins and G. W. Brantley will make second race for Township Commissioner, Courthouse Township. H. A. Watson and J. E. Eddins will run over for Cotton Weigher, town of Chesterfield. John G. Hursey and W. R. Huneycutt will run over for Magistrate.

## Will Ask Congress To Prevent Strike

Washington, Aug. 28.—President Wilson, to-night definitely decided to go before Congress in person tomorrow or Wednesday to recommend

legislation aimed to avert the threatened nation-wide railroad strike, or to stop it, if it comes before Congress can act. He worked until late tonight on his message in which he will tell members of the Senate and House the negotiations to date and lay before them a definite legislative program.

The President reached his decision after conferences at the White House with the committee of eight railroad presidents and four brotherhood heads on a new proposal for settlement of differences suggested by the executives, and after a prolonged discussion of the situation at the capitol with the members of the Democratic steering committee of the Senate.
